

The Hayle Group LLC

TRANSIT & INFRASTRUCTURE SAFETY CONSULTING

New Rochelle, NY | (347) 591-9336 | seretze@haylegroup.com

NMSDC CERTIFIED MBE

NJ CERTIFIED MBE

The Hayle Group LLC is an NMSDC-Certified and New Jersey Certified Minority Business Enterprise (MBE) safety consulting firm specializing in transit, infrastructure, and public-sector construction safety oversight.

With 17+ years of safety experience on transit and infrastructure projects, the firm brings direct, hands-on experience within MTA/NYCT, LIRR, NJ Transit, Amtrak, and NYS DOT operating environments — including full responsibility for safety oversight, compliance enforcement, Safe Work Plan review and approval, and incident reporting in high-risk, active transit conditions.

As a principal-led firm, The Hayle Group ensures direct oversight and accountability on every engagement. The firm is independent — not affiliated with any contractor or employer — and serves clients across New York and New Jersey.

Available for: Owner's Representative, General Contractor, Design-Builder, Emergency Response, and Short-Term Safety Coverage throughout New York and New Jersey.

CORE SERVICES

CONSTRUCTION & TRANSIT SAFETY MANAGEMENT

Site safety oversight and compliance monitoring for active transit and infrastructure projects.

OSHA & NYC CHAPTER 33 COMPLIANCE

Hazard analysis, risk mitigation, incident investigation, and Tier 0–2 reporting.

SAFE WORK PLANS

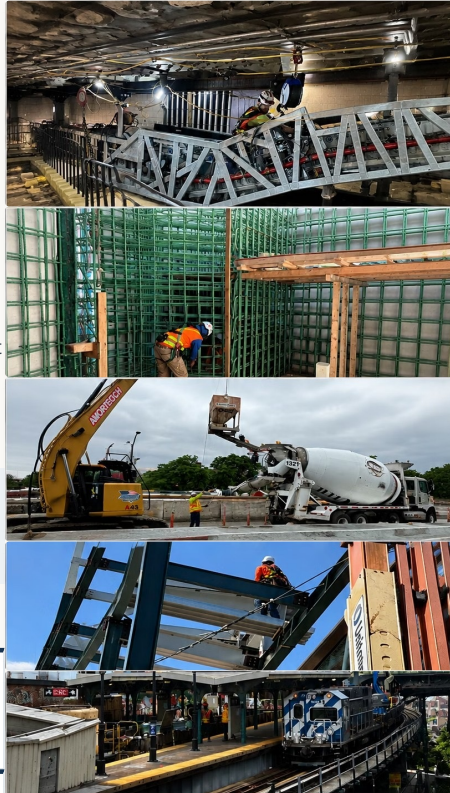

Author and review Safe Work Plans (SWP) and Corporate HASP.

TRACK / ROW SAFETY

Specialized track and right-of-way safety oversight in active transit environments (General Orders).

SAFETY AUDITS & FIELD INSPECTIONS

Comprehensive field inspections and safety audits to ensure ongoing compliance.

DIRECT EXPERIENCE WITHIN

MTA • NYCT • LIRR • NJ TRANSIT • TBTA • NYC DOT • NYSDOT • AMTRAK
